

Luxvend Solutions LLC

Premium Automated Retail for Modern Spaces

Luxvend Solutions is a Florida-based company redefining the vending experience through **luxury perfume and personal care machines** in high-traffic venues. We partner with discerning malls, hotels, and service-based businesses to offer convenient, premium products with zero operational burden on the venue.

Luxury Perfume Vending Experience

A Refreshing Retail Innovation

Our perfume vending units transform the traditional fragrance shopping experience, offering an instant refresh while customers shop, dine, or travel through your venue.

Instant Refresh

On-the-go fragrance convenience

Accessible Luxury

Small vials instead of full bottles

Impulse Appeal

Perfect for travelers and tourists

Premium Selection

Branded scents in sleek format

Positioning: The perfect solution for malls with high tourist traffic and customers seeking convenience paired with luxury.

Personal Care Units

Our personal care vending machines deliver essential hygiene products exactly when customers need them most, enhancing venue reputation as thoughtful and service-oriented.

Feminine Care

Hygiene products and napkins for unexpected needs

Sanitizing Essentials

Wet wipes and sanitizing products for cleanliness

Personal Comfort

Chapstick and everyday care essentials

Quick Relief

Pain relief products like Tylenol for immediate comfort

Enhance customer comfort, convenience, and satisfaction while positioning your venue as genuinely caring about the guest experience.
